We are Veterans on the Water, we take all Veterans fishing at no cost. No matter what the Veterans needs are we will figure out a way to take them fishing?

We would be honored to invite you and your comrades to our 1st fundraiser. The Honor Guard will be present and we will be recognizing our Military in uniform, our Veterans and a special salute to our World War II Veterans.

Please bring your family. Food will be served. (Free Will Donation) We will also have a live auction and silent auction.

We will be showing off our boats and pontoons along with our Mobility buses and of course they are red, white and blue.

The date will be June 11th-Sunday at 11:00 AM to 2:30 PM at the Sibley County Fairgrounds in Arlington, Mn.

Look us up on the Web. veteransonthewater.com Please call if you have any questions as I am sure I left something out. Steve Gillaspie 651-353-5050

Saluting You
