

Community Action
Partnership of Hennepin County

Strengthening Community.
Eliminating Barriers.
Creating Opportunity.

CAPSH is now CAP-HC!

In August, 2016, we received Governor Dayton's recognition as the Community Action Agency for the City of Minneapolis expanding our service area from suburban Hennepin County residents to ALL Hennepin County residents. We are now offering all of our services and programs to income-eligible Hennepin County residents! We are excited to introduce our new name and brand to represent this expanded service area.

CAP-HC is dedicated to assisting clients throughout the new service area and providing opportunities that increase family and economic stability as well as to partner and support existing Hennepin County organizations. Our goal is not to compete, but rather collaborate to ensure that communities thrive.

Our programs include:

- Energy Assistance
- Food Support
- Homeless Services
- Homeownership Programs
- Financial Counseling
- Legal Service Clinics
- MNsure Application Assistance
- Supportive Services for Veteran Families
- Tax Assistance
- Vehicle Repair Program
