QPR Question, Persuade, Refer

Learn to three steps anyone can take to help prevent suicide. Just like CPR, QPR is an emergency response to someone in crisis and can save lives.

QPR is the most widely taught gatekeeper training program in the United States, and more than one million adults have been trained in classroom settings in more than 48 states.

This is a one-hour workshop and is for members of the community over the age of 16 who want to learn best practices in suicide prevention.
