**Dear**

**Plymouth Beyond the Yellow Ribbon and Wayzata High School Y.E.S. students** have partnered to express our heartfelt appreciation for Minnesota soldiers that are deployed so far from home and separated from their friends and family.

Please enjoy these beef stick snacks and materials with other Minnesota soldiers. Also, try to share with other soldiers as we suspect all could enjoy the beef sticks and our appreciation for their work efforts. We greatly value all the military service efforts that help keep Minnesota and America safe 24/7.

It is our hope that you and your colleagues will be able to soon return home to be with your friends and family. We wish you all Happy Holidays and Seasons Greetings!

Sincerely,

**Plymouth Beyond the Yellow Ribbon and Wayzata High School Y.E.S.**
