PURPOSE

The purpose and intent of this resource guide is to provide guidance on resources available to individuals and businesses within the state of Minnesota that have been affected by the COVID-19 pandemic. All information is sourced with links to information as it is changing on a daily basis. To stay up-to-date recommendation to subscribe to any and all list serves in which you are wanting information.

Governor Walz, announced Executive Order [20-20](#), Stay at Home, directing Minnesotans to limit movement outside of their homes beyond essential needs from Friday, March 27th 11:59 p.m. to Friday, April 10th 5:00 p.m. By limiting social interactions, we decrease the transmission of COVID-19 and help ensure our health sector can prepare for increased demands. For up-to-date information and links to important information check out the [Minnesota COVID-19 Dashboard](#).

**The MN Stay Home Executive Order will expire on Monday, May 18, 2020. The Governor will replace it with an order continuing to encourage Minnesotans to stay close to home but allowing for gatherings of friends and family of 10 people or less. The Governor will also open retail stores and other main street businesses if they have a social distancing plan and operate at 50 percent occupancy. Additional guidance, including a template plan and checklist for businesses, is available on DEED's website at mn.gov/deed/safework.*

#StaySafeMN
COMING SOON

Beginning May 18

- ➔ Retail stores, malls, and other main street businesses can reopen if they have a safety plan and operate at no more than 50 percent occupancy.
- ➔ Restaurants, bars, salons, and gyms remain closed.
- ➔ Minnesotans may gather with friends and family in groups of 10 people or less.

Social, civic, community, faith-based, leisure, or religious gatherings are prohibited for groups over 10 people.

Continue to follow these safe practices:

- Wash your hands often
- Get tested if experiencing symptoms
- Maintain social distance
- Wear a mask
- Stay home when able

Maintain social distance

mn.gov/covid19 **m MINNESOTA**

Everyone can work to reduce the spread of COVID-19

Cover your cough and sneezes with your elbow or sleeve, or a tissue and then throw the tissue in the trash and wash your hands afterwards.

Washing your hands often with soap and water for 20 seconds, especially after going to the bathroom or before eating. If soap and water are not readily available, use an alcohol-based hand sanitizer that contains 60% alcohol.

Avoid touching your face – especially your eyes, nose and mouth with unwashed hands.

Stay home if you have a cold or flu-like symptoms, for seven days after your illness onset or three days after your fever resolves without fever reducing medicine and avoid close contact with people who are sick.

Up-to-date guidance from the Department of Health on recommended community mitigation strategies can be found [here](#).

INDIVIDUAL RESOURCES

Minnesota Unemployment Insurance

If your employment has been affected by COVID-19, you can apply for unemployment benefits. Minnesota Department of Employment and Economic Development (MN DEED) is aware of the stimulus package moving through Congress to respond to economic impact of COVID-19. They will implement that legislation when they receive further guidance from the US Department of Labor.

Given the high volume of applications, MN DEED is requesting all to utilize the online system to apply for benefits and request payments. There is now an application schedule due to the high volume based on your last digit of your social security number:

If the last digit of your Social Security number is	Day of Week	Time
0, 1, or 2	Monday	6:00 a.m. – 8:00 p.m.
3, 4, or 5	Tuesday	6:00 a.m. – 8:00 p.m.
6, 7, 8 or 9	Wednesday	6:00 a.m. – 8:00 p.m.
Any	Thursday	6:00 a.m. – 8:00 p.m.
Any	Friday	6:00 a.m. – 8:00 p.m.

If you already have an unemployment Insurance account you can still log in anytime to request payment.

Self-Employed

Benefits and relief programs are being made available to self-employed individuals for the first time through Minnesota Unemployment Insurance Program. It is recommended if you are self-employed to go online and fill out the questionnaire. This will assist representatives on what you are qualified for when funding comes available. [Special Instructions for Self-Employed and Independent Contractors Guide](#)
***On April 24, 2020 MN DEED announced they will begin paying Pandemic Unemployment Assistance for self-employed and independent contractors.**

CARES Act

Congress passed and was signed into law late March 2020. As of April 8, 2020, DEED authorized the first payments of temporary additional compensation of \$600/week for people receiving unemployment benefits. You do not need to contact DEED or do anything additional; if you receive unemployment you will automatically receive the additional funds. The first week for which you can get the additional \$600 is the week beginning March 29, 2020. You can request the week of March 29th on or after April 5th.
***The \$600 per week additional compensation will end on July 31, 2020 as of now. Minnesota was also one of the first states in the nation to implement the 13-week extension.**

Veteran and/or Surviving Spouses Grant

Effective and Beginning Monday, April 6, 2020

The Minnesota State Legislature voted to fund a special appropriation to assist veterans and/or their surviving spouses who may be financially impacted by the COVID-19 pandemic. COVID-19 Specific Programs have been activated specifically in response to mitigate the economic effects COVID-19 is having on our Veterans and their families. These programs can close at any time without notice due to the exhaustion of approved funding. Status updates will be posted [here](#) regarding the status of these programs. All of the grants are awarded on a first come, first serve basis, and the amount of grants awarded is limited to the length of existing funding.

COVID-19 Disaster Relief Grant Overview- (financial relief grant in the amount of \$1,000)

The purpose of the COVID-19 Disaster Relief Grant is to mitigate the negative effects and economic impact COVID-19 has had on Veterans and their families by providing a one-time financial relief grant in the amount of \$1,000.

Eligible Applicants:

Veteran or the surviving spouse (who has not remarried) of a deceased veteran must be able to demonstrate a financial loss related to one of the situations.

HOW TO APPLY

1. Self-Submittal: Applications and supporting documentation can be uploaded through our [MN GI Bill](#) portal. (Note: the MN GI Bill Portal is not currently compatible with Internet Explorer). You will first need to create an account or login to an existing account. Then you will upload your application to the State Soldiers Assistance Program (SSAP) component.
2. County Veterans Service Officer (CVSO): any applicant may find their CVSO by going to the [Minnesota Association of County Veterans Service Officers](#) website.
3. If your County Veterans Service Office is unable to assist you during this State of Emergency, please contact MDVA's Field Operations Team who can assist you with your application by email at FO.MDVA@state.mn.us.

COVID-19 Special Needs Grant Overview- (financial grant, up to \$3,000)

The purpose of the COVID-19 Special Needs Grant is to provide one-time financial assistance to a Veteran or surviving spouse who needs assistance due to a COVID-19-related event. Any funding awarded from this grant would go directly to a vendor or creditor of the applicant, and no money awarded goes directly to an applicant or an applicant's family member.

The COVID-19 Special Needs Grant is to provide a one-time financial grant, up to \$3,000, to a Veteran or surviving spouse who needs assistance due to a COVID-19 related event.

****NOTE:** These "NEW" COVID-19 grants DO NOT matter even if you have previously used your "Once in a Lifetime"-Regular/normal Special Needs Grant

HOW TO APPLY

You will need to apply through your [County Veteran Service Officer](#)

Army Emergency Relief Fund (AER)

The Army has recently opened its AER to Reservists and Guardsmen. The AER Fund was normally reserved for Active Duty Soldiers only and took a Commanding Officer's signature to complete. The AER is a zero-interest loan to help Soldiers and their families during hard times. Repayment will be deducted from the Soldiers drill pay at a rate they decide is manageable. An AER loan can help with rent, temporary lodging, utilities, food, vehicle costs, healthcare (including mental health), and more. For more information [CLICK HERE](#).

PenFed Foundation

The COVID-19 Emergency Relief Program was created to provide financial assistance to all Veterans, Active Duty Service Members, National Guard and Reserves who are experiencing a financial setback due to the negative economic effects of the COVID-19 pandemic. The grant amount will support 1-month up to \$1500 in the following areas: rent, mortgage, auto loan/lease and utilities. The other programs that the PenFed Foundation offers are 1) emergency financial assistance; 2) family and caregiver support grants; 3) Dream Makers Home Buying Grants; and 4) Veteran Entrepreneur Investment Program. For more information [CLICK HERE](#).

Transition Assistance Advisors

Transition can be difficult in any aspect of life, but for Service Members and their Families, transition can create many physical and emotional challenges.

As a Service Member you face the challenge of transitioning between civilian life to military life, from Active Duty status to Guard/Reserve status, to deployments, to military separation and retirement. If you have faced, or are facing, any of these transitions, you have likely felt overwhelmed, confused or even frustrated at times. You are NOT alone. The Transition Assistance Advisor (TAA) is here to assist service members transitioning out of the military with benefits and services offered through the Veterans Administration, Department of Defense, Department of Labor and many more!

BUSINESS RESOURCES

MN DEED Small Business Guide

Minnesota small businesses who need help can now access all financial resources on [MN DEED](#). New state and federal programs have been built to assist small businesses struggling during the COVID-19 pandemic. The following programs (per MN DEED) available include:

Small Business Administration Injury Disaster Loan (EIDL)

**For all SBA loans please reach out to your local bank for assistance. They will be able to assist in the application process. Please keep in mind banks do have lending limits for certain loan types. Funding has been depleted for this program at this time. However, the federal government is working on funding for this program. Please check with your local lender(s).*

Summary of Program: Low interest, long term Economic Injury Disaster Loans for up to \$2 million: The first payment is deferred for 12 months. The application has been simplified and can be completed 100% online through our improved web portal at www.sba.gov/disaster. These loans may be used to pay fixed debts, payroll, accounts payable and other bills that can't be paid because of the disaster's impact. The interest rate is 3.75% for small businesses. The interest rate for non-profits is 2.75% and the loans can be extended over 30 years.

Why this might make sense for you: The SBA EIDL can be used to maintain payroll, provide paid sick leave, meet increased costs, make rent or mortgage payments, as well as repay unmet expenses and obligations.

SBA EIDL Grants - Businesses applying for an EIDL loan can request up to \$10,000 be disbursed immediately. The amount need not be repaid, regardless of the loan decision. The form to apply for an advance is part of the new EIDL application. If you have already applied for an EIDL Loan and wish to apply for the advance, please fill out the new, streamlined application. Why this might make sense to you: This advance may be available even if your EIDL application was declined or is still pending, and will be forgiven.

If you need assistance with applying for the SBA EIDL loan or requesting the related grant – see the SBA District website for trainings or call an SBDC center.

Small Business Paycheck Project Program (PPP)

**Funding has been depleted for this program at this time. However, the federal government is working on funding for this program. Please check with your local lender(s).*

Summary of Program: The [SBA PPP](#) is a new federal \$350 billion loan program at SBA for small businesses, self-employed people, and gig workers to help them from going under due to the COVID-19 pandemic. If employers maintain payroll, the loans would be forgiven.

Why this might make sense for you: If a self-employed person needs compensation or a business or nonprofit needs funds for employee compensation, including: salaries, wages, commissions, or similar compensation; cash tips or equivalents; vacation, parental, family, medical, or sick leave; payment required for providing group health care benefits (including insurance premiums); payment of retirement benefits; and payroll taxes. Funding may also be used for payment of interest on mortgage obligations, rent, utilities, and interest on pre-existing debt obligations.

Pandemic Unemployment Assistance Program

Summary of Program: Congress authorized a new Pandemic Unemployment Assistance program that covers those **who do not qualify** for regular Unemployment Insurance benefits, such as independent contractors and self-employed people. The program was authorized but must be created by the states, so

Minnesota must build out this program before it can be implemented. More information will be available soon; however, it could be several weeks before payments begin.

Why this might make sense for you: If you are an independent contractor or self-employed person who would not typically be eligible for unemployment benefits, but you have lost income due to the COVID-19 pandemic.

Minnesota Small Business Emergency Loan Program

**Funding has been depleted for this program at this time. Please check with your local lender(s) for more questions.*

Summary of Program: Minnesota Small Business Emergency Loans are made through an approved lender – you can find [FAQs, application materials and lenders](#) on the DEED website. These loans are for \$2,500 to \$35,000 and at a 0% interest rate. There is a total of \$30 million available for this program.

Why this might make sense for you: If you are affected by Executive Orders 20-04 and 20-08, this program could provide a 0% loan to help you meet expenses.

Minnesota Small Business Loan Guarantee Program

Summary of Program: This program provides an 80% loan guarantee for loans up to \$250,000 made by a qualified economic development lender within this program. This program is intended to incent the private market to make loans to small businesses and provides the guarantee for those loan dollars. The state is providing a loan guarantee of \$10 million which is likely to leverage between \$20 and \$25 million in lending by private banks. You can find details for this program on [DEED's website](#).

Why this might make sense for you: Your lender will consider your situation and may require this guarantee in order to lend money to your business.

Unemployment Insurance Shared Work Program

Summary of Program: The Shared Work program offers an alternative to layoffs for employers facing a temporary downturn in business. Administered by DEED's Unemployment Insurance Division, the program allows employers to divide available hours of work among a group of employees instead of implementing a full layoff. These employees may then receive partial unemployment insurance benefits while working reduced hours. The purpose of Shared Work is to avoid a layoff, not to subsidize wages.

Why this might make sense for you: Shared Work can help employers avoid the difficulties that can go along with a layoff. If employees keep working during a temporary slowdown, employers can more quickly gear up when business conditions improve. Learn more about the [Shared Work Program](#) on our Unemployment Insurance Division's website

So given these options, where should you start?

1. First, MN DEED recommends contacting your insurance company. You may have access to benefits you've paid into through your policy that could be helpful during this time.
2. Next, call your bank. Your banker will have advice for you on:
 - Their own resources
 - Any SBA programs they have access to
 - They may refer you to local lending programs such as those available through non-profits (like the Small Business Emergency Loan Program) or loan programs available in certain cities or counties across Minnesota
3. If you've been denied credit by a bank or the SBA, you should call any of the [approved lenders for the Small Business Emergency Loan Program](#) that serve your geography.

4. If you do not use a bank and/or do not have insurance on your business:

- You can call any of DEED [approved lenders for the Small Business Emergency Loan Program](#) for possible access to the program and other resources available through our lending partners.
- You may also call a lender in the Small Business Loan Guarantee program, when those lenders are identified. Please note that these lenders are likely banks or local development organizations who have underwriting criteria.
- You could call your city or county to see if they have a revolving loan fund that is available to your business. Please note that not many cities in the metro area have these revolving loan funds and those that do will have underwriting criteria.

Visit the [COVID-19 Information for Employers and Businesses](#) page on the DEED website for more resources related to business assistance, Unemployment Insurance and FAQs.

Tax Information

Income Taxes

The Minnesota Department of Revenue is providing additional time until July 15, 2020 for taxpayers to file and pay 2019 Minnesota Individual Income Tax without any penalty and interest. This includes all estimated and other tax payments for tax year 2019 that would otherwise be due April 15, 2020. It does NOT include:

- Estimated payments for Minnesota income taxes due April 15 for the 2020 tax year
- Corporation Franchise, S Corporation, Partnership, or Fiduciary taxes, though these taxpayers can receive an automatic filing extension. See Business Taxes (below) for details.

If you cannot file or pay by July 15, 2020 you can ask the Minnesota Department of Revenue to cancel or reduce penalties, additional tax, and interest for late filing or payment if you have a reasonable cause, including emergency declarations by the president and governor due to COVID-19. Requests can be made after you are notified of a penalty. Please visit <https://www.revenue.state.mn.us/penalty-abatement-information-individuals> for more information.

The IRS extended the deadline for 2019 federal income tax returns, payments, and 2020 estimated payments to July 15, 2020, for individuals and businesses.

FOUNDATION RESOURCES

Minnesota Initiative Foundations

The Minnesota Initiative Foundations have created disaster relief funds and some still are open for current grants to general operations and have loosened loan requirements. For more information please contact your local foundation.

Minnesota Child Care Grants

At the request from Governor Walz the Initiative Foundations have launched the Emergency Child Care Grant Program. The program is to provide immediate financial relief to licensed child care providers in Greater Minnesota that care for children whose parents or guardians qualify as emergency workers as defined by the Governor's order. Grants range from \$300 - \$3,000.

***Some of the foundations have now closed there granting period for this grant as all funds have been allocated. Foundations are working on raising more funds to keep this grant intact for further funding. Please check periodically.**

Saint Paul & Minnesota Foundation

In response to grantees, donors and community partners the following grant funds have been established:

Minnesota Disaster Recovery Fund

In collaboration with the Minnesota Council on Foundations the [Minnesota Disaster Recovery Fund](#) (MDRF) for Coronavirus was developed. The MDRF advisory committee made up of leaders from across the state, made its first round of grants awarding \$2 million to 11 organizations throughout the state. The advisory committee meets weekly to advise and recommend additional grants to address ongoing needs statewide.

Saint Paul Bridge Fund

This fund was created to support Saint Paul and was partnered with the City of Saint Paul. The fund provides emergency relief for the small businesses and families in the community who need it most.

Check out information about their programs and resources [HERE](#). For more assistance contact Extension Educators Anita Harris Hering at aharris@umn.edu or Sara Croymans at croym001@umn.edu.

Extension also offers resources and advice for all Minnesotans to help you through this difficult time. Services include 1) Dealing with Stress; 2) Supporting Food Security; 3) Managing Income Loss; 4) Helping Farmers; 5) Resources for Businesses and Communities; 6) COVID-19: Stories, Insights, Expertise.

Adjusting to Income Loss <https://www.irs.gov/help/ita/do-i-need-to-file-a-tax-return> Living on a reduced income may be temporary or last longer. Getting the most from family income during this time requires careful planning and wise spending decisions. The following provides more information on specific areas:

- [Prioritizing Spending](#)
- [Tips and Resources for Deciding Which Bills to Pay First](#)
- [How to Talk with Creditors](#)
- [Strategies for Spending Less](#)
- [Working Together and Sharing Resources](#)
- [Keeping your Housing](#)
- [Taking Care of Yourself](#)

Managing stress begins with self-care. Fortunately, there are many things you can do at home and on your own schedule to support your mental health, maintain healthy communication and prevent isolation.

- [Parenting](#)

Give “grace” to yourself and your family. Some children will seize the opportunity to work on a project right away, but other children need time to adjust to the changes in their lives. You know your kids, so think about their temperament, and trust yourself even if how you parent right now looks different than usual.

Food, Financial Assistance Available During Pandemic

Minnesotans who are struggling to feed themselves and their families or make ends meet should know that help is available and accessible during the COVID-19 pandemic. The Minnesota Department of Human Services has temporarily modified procedures to make it easier for people to get, keep and use essential programs including the Supplemental Nutrition Assistance Program, or SNAP, which offers monthly food benefits. [CLICK HERE](#) for more information and links on how to apply.

Key Information:

- Benefit eligibility and amounts are based upon household size, current income, resources (cash currently on hand), and household expenses for dependent care, rent/mortgage, homeowners' insurance, property tax, and utilities.
- Many families are now qualified for SNAP benefits because their current income was reduced due to COVID-19.
- Information on eligibility and frequently asked questions is available here: <https://www.fns.usda.gov/snap/recipient/eligibility>
- Families who are experiencing financial hardship should be encouraged to check their eligibility status and apply if eligible.
- The eligibility calculation is fairly complex. Deductions to income are permitted for certain household expenses. There is also a 20% deduction of earned income and a standard deduction based upon family size. Many who do not appear to be eligible based upon the income limit listed on the eligibility chart may find that they are eligible after doing the calculations.

[Child Care Resources](#)

[MilitaryChildCare.com](#)

Is a Department of Defense website that provides a single gateway for parents to find comprehensive information on military-operated or military-approved child care programs worldwide. By streamlining the child care search and request process, MilitaryChildCare.com makes it easier for you to understand and assess your child care options and make more informed decisions about your child's care.

[Military OneSource](#) is an information and referral service, providing members of the military community and designated Department of Defense expeditionary civilians with resources, tools and counseling services. Available 24/7, this service provides information and resources on many topics related to child care and can help locate child care services.

Military OneSource will first direct families to the installation's child care program if a family lives on or within 30 minutes of an installation. If a family has already explored this option and has been assigned to a waiting list, Military OneSource will then refer the family to Child Care Aware, which works with families to identify child care options in the local community.

In the event either of these resources fails to meet a family's needs, Military OneSource consultants will route the case for research to provide additional options. To contact Military OneSource by phone, call 800-342-9647. OCONUS/international? View dialing information for other countries.

[Child Care Aware®](#)

Child Care Aware® of America is a national organization contracted to administer the Military Child Care in Your Neighborhood, or MCCYN, a Department of Defense fee assistance program available to qualifying families. This program pays a portion of child care costs on behalf of families who are unable to access installation child care. [Review Child Care Aware of America's eligibility requirements.](#)

Through partnerships with the Department of Defense, Child Care Aware has several programs and nonprofit initiatives designed to help strengthen military families. Visit the link below and select your service branch to learn more about military child care in your neighborhood, or MCCYN.
